Coronavirus: Preparing your business for impact

A novel coronavirus continues to cause an outbreak of respiratory illness across the globe. The virus has been named SARS-CoV-2, and the disease it causes has been named coronavirus disease 2019 (COVID-19). The virus originated in Wuhan, China, in December 2019 and, to date, has spread internationally. The disease continues to be closely monitored by the [Center for Disease Control \(CDC\)](#) and other key health organizations around the world.
